## COVID-19 Arrangements and Protocols

STAR Center is re-opening in a phased approach and is strictly following all Centers for Disease Control (CDC), state and local guidelines on social distancing and best practices. See <https://www.star-center.com/schedule.html> for full list of protocols.

CDC guidelines currently state: individuals should "stay home for 14 days from the time you returned home from international travel." As a result, students will not be permitted to attend courses at STAR Center until they can attest to having stayed home for 14 days upon return from any international travel.

Campus access/check-in is only available to arriving students between 3pm and 11pm, Sunday. Check-in times on other days will be specifically authorized in advance. All arriving students must be wearing a mask and must have completed the Pre-Arrival Screening Questionnaire and Coronavirus Pandemic Hold Harmless Release Forms. A temperature screen/check will be given on arrival and anyone with a temperature of 100.4f or greater will be denied access. No guests are permitted.

Students arriving to check-in after 11pm will be denied access. A list of local hotels will be provided and arrangements must be made through student services if it is planned to arrive after 11pm.

Accommodation is available for all students attending scheduled STAR Center courses. All rooms are single occupancy with ensuite facilities. The check-in desk is located 100 yards west of the main 4-story building on West Dixie at:

900 SW 2nd Avenue  
 Dania Beach, FL 33004  
 Tel: (954) 921 7254 Ext. 7999

It is manned 24/7, except on Thanksgiving, Christmas Day and New Year's Day.

Daily temperature checks will be taken prior to classes starting at 0730 with no classroom access being given until satisfactorily completed. Social distancing and the wearing of masks at all times around campus is compulsory. The gym and swimming pools are closed for recreational use and the galley will provide box meals. Both the galley dining and self-serve areas are closed.

Departure is to be no later than 10:00am the day after course completion unless express permission has been obtained prior to arrival.
