### BENEFIT CONDITIONS, LIMITATIONS, AND EXCLUSIONS

- If a covered person, whether sane or insane, dies by suicide within two years of the date of certificate, our liability for death proceeds is limited to the premiums paid.
- If the age of a covered person has been misstated, and if the amount of premium is based on age, an adjustment of premiums will be made based on the covered person's true age.
- If age is a factor in determining eligibility or amount of insurance and there has been a misstatement of age, the insurance coverages, benefit amounts (or both) for which the covered person is insured will be adjusted in accordance with the covered person's true age. Any such misstatement of age shall neither continue insurance otherwise validly terminated nor terminate insurance otherwise validly in force.
- If it is determined after the death of a covered person that the covered person's age was misstated, the amount of insurance will be that which the premiums would have purchased at the correct age.
- If the policyholder fails to report any employee's termination of coverage while the group's master policy remains in effect, our liability will be limited to a return of premium retroactive to the date on which insurance should have been terminated, less any claims paid during this period. In no event will we refund more than two months premium.
